

PolicyASSIST™

Need Policies? We Have Them!

- Missing Key Policies?
- Need Important Procedures & Protocols?
- Wish You had Better Forms?

But don't have the time, assets or expertise to create them?

We have your solution!

PolicyAssist™ is a collection of policies, procedures, protocols, templates, and forms developed by QFHC and regularly reviewed —revised to meet ever-changing compliance requirements. It is a dynamic resource with new documents and tools added regularly.

PolicyAssist™ also crosswalks documents to important regulatory accrediting standards such as HRSA, NCOA PCMH, FTCA, and AAAHC.

PolicyAssist™ library contains policies, procedures, templates, and forms for Clinical Services, Administrative/Governance, Financial Services, HR, Information Management, Medication Management, Quality/Risk Management, and more.

And best of all...

PolicyAssist™ is included FREE with your subscription to the **PolicyPlus™** Document Management Module
